

AluTruk Piano Dolly With Fixed Rubber Wheels

Product code: PT1

The PT1 piano trolley has rubber buffers on each corner to protect against damage to property. To aid stability we've fitted solid rubber ribbed tops to the dolly - this will reduce the risk of slippage. The precision ball bearings provide smooth and silent running which means reduced effort when moving the unit under load. Other features: - Non-marking wheels to protect your flooring - Fixed axles for precise control - slow and steady - Heavy-duty construction - 550kg load capacity* - [Replacement wheels](#) available *The load must be uniformly distributed on the frame. Be careful not to drop the load on to the frame.

Load capacity	550kg
Height	250mm
Width	745mm
Length	420mm
Material	Aluminium
Brand	Alutruk
Specialism	Piano dollies
Industry	Removals industry
