

Dray Pad 600mm x 600mm x 300mm

Product code: SKDP600

Standard 600mm x 600mm Dray pad, also known as a Vita pad, designed to assist the unloading of heavy items from delivery vehicles absorbing kinetic energy and minimising bounce. These pads also reduce noise and the risk of damage to containers and property. This dray pad is made with multi layered foam and insertion rubber which comes with tough plastic cover fastening with Velcro for easy replacements.
