Heavy Duty Forklift Drum Clamp

Product code: SKMDC360

This drum clamp is ideal for fitting to standard specification forklifts for assistance when loading or unloading drums to pallets. Capable of lifting both steel and XL plastic drums it proves to be an all rounder making day to day operations simple yet safe. Fitted with a hands free grip and release mechanism ensures the user can concentrate on destination rather than application. This product is also supplied with a test certificate for its 360kg load rating.
