Wide Frame AluTruk For Bulky Loads

Product code: LW25WU10SG

A new addition to the AluTruk range complete with puncture proof tyres as standard for reduced down time and ease movement. This AluTruk model, with its wide frame and handles along with large base plate is ideal for moving bulky loads such as large white goods or flat pack furniture across warehouses. Modular in design it is easy to maintain and provides a value for money solution to those awkward manual handling needs. 300kg Load Capacity.
